

CURRICULUM VITAE

Jonathan Edward Jensen, MS, MD FACP FACG AGAF

December,2014

Personal Information:

Citizenship: US

Professional Address

Front Range Gastroenterology Associates, PC (Main Office)
(dba: Colorado Center for Digestive Disorders)
205 South Main Street
Suite A
Longmont, CO 80501

Telephone: 303-776-6115
Fax: 303-776-4318

Licensure

Colorado (active/unrestricted) 1994-present 33738
Connecticut (inactive) 029080
New York-(inactive) 168532
Florida-(inactive) 59986

Current Position:

Front Range Gastroenterology Associates, PC (Principal)
Medical Director Colorado Endoscopy Centers, LLC 11/2004 - present
Clinical Associate Professor of Medicine (Denver VAMC, CU School of Medicine)
(1994-present Volunteer Faculty)

Professional Honors and Awards

2012 Peak Performer Award (Awarded by Rocky Mountain Hospital Medicine Symposium)
2013 Peak Performer Award
Fellow American College of Physicians – 1994
Fellow American College of Gastroenterology – 2005
Fellow American Gastroenterological Association - 2014
Boulder County Medical Society President 1998-1999

College:

University of Vermont, BA 1978
Major : Physics

Graduate School

Albany Medical College
Albany, New York
Master of Science Physiology, 1980

Medical Education

Albany Medical College
Albany, New York
MD, 1984

Internship

Internal Medicine 1984-85
Albany Medical Center Hospital
Albany, New York

Diagnostic Radiology

University of Pittsburgh 7/85-10/86
Department of Diagnostic Radiology
Pittsburgh, Pennsylvania

Medical Residency

Albany Medical Center Hospital 10/86-6/88
Albany, New York

Fellowship

Department of Gastroenterology 7/88-6/91
Yale Liver Study Unit
Yale University
New Haven, Connecticut

Mentor : Dr. Roberto Grozmann – Portal Hypertension

Board Certification

Board Certified in Internal Medicine and Gastroenterology.

Consultant

American Board of Internal Medicine: Relevance Review for Gastroenterology 2004-2006

American College of Gastroenterology: Member Publications Committee 2001-2003

Blind Consultant for Question Development- American Board of Internal Medicine (IM certification/re-certification exams) 1994-2001, 2005-2006

American College of Physicians-Colorado Chapter
Member Committee on State Meeting/Scientific Session 1997.
State Membership Committee 1997
Delegate Colorado Medical Society 1997

Committee Member- Projects In Knowledge
1997-2001 Hepatitis C Case Book Development Meeting

National Committee's

Publications Committee
American College of Gastroenterology
2001-2004

Professional Experience:

Front Range Gastroenterology Associates, PC
(dba Colorado Center for Digestive Disorders)
Principal
205 S. Main Street
Suite A
Longmont, CO 80501
1995-Present

Colorado Endoscopy Centers, LLC
Medical Director
205 South Main Street
Longmont Colorado
2007 - present

Boulder Valley Gastroenterology Assoc., PC
1155 Alpine Avenue

Boulder, Co.
1994-1995

Clinical Associate Professor of Medicine
Volunteer Faculty
University Health Sciences Center of Colorado
Denver, CO.
1994-present

Staff, Department of Gastroenterology
Head, Section of Hepatology (1993-94)
Cleveland Clinic Florida
3000 West Cypress Creek Road
Ft. Lauderdale, Florida
1991-1994

Instructor Internal Medicine and Gastroenterology/Hepatology
Yale University
Yale New Haven Hospital
West Haven Veterans Administration Medical Center
New Haven, CT
1990-91

Emergency Attending- 1987-88
Albany Veterans Medical Administration
Albany, New York

Three year academic/clinical fellowship at Yale University.

Areas of research :

Portal Hypertension
Hepatitis C
Endoscopic Ultrasound
Clinical research/ patient care

Emergency Attending- 1989-91
St. Joseph's Medical Center
Strawberry Hill Road
Stamford, Connecticut

Physician- 1990-91
Connecticut Hospice
Branford, Connecticut

Institutional/Departmental and Division Responsibilities

Chairman, Department of Medicine
Longmont United Hospital
January 2006 to 2007

Volunteer Faculty
University Health Sciences Center
Veterans Administration Medical Center
Denver, CO
1994-present

Fort Lauderdale, Florida
1992-94

Community Lectures

Hepatitis B and C High School lectures- 1993, 1994
Fort Lauderdale Florida

Hepatitis C 1998

Longmont, Colorado

Founder Boulder County Crohn's and Colitis Foundation Support Group
Avista Hospital 1995

Longmont United Hospital 1995

Radio Talk Show- Geriatrics and GERD

Boulder County October 1998

4 daily 15 minute presentations on air for GERD and geriatrics

9 Health Fair Volunteer

Colon Cancer Screening and Hepatitis C
1997-2012

2005-2008 "Senior Exposition" Longmont Colorado – sponsor and lecturer

GERD

Colon Cancer Screening

Celiac Disease

Professional Memberships

American College of Physicians- Fellow (Awarded 1994)

American College of Gastroenterology- Fellow (Awarded 2005)

American Gastroenterological Association

American Association for the Study of Liver Diseases

American Society for Gastrointestinal Endoscopy

American Federation for Clinical Research

Crohns and Colitis Foundation (Colorado Chapter) - Physician Member

American Liver Foundation

Gastroenterologic Research Group

American Medical Association

Boulder County Medical Society (Past President)

Presentations at National Meetings:

- 1) Ossifying Hemangioma of the Temporal Bone. Evaluation with CT. Presented American Society of Head and Neck Radiologists, Seattle, Washington, May , 1986.
- 2) Medical Treatment of Irritable Bowel Syndrome
Biofeedback for Colorectal Disorders
Fort Lauderdale, Florida.
Division of Colorectal Surgery
Cleveland Clinic Foundation
March 13-14, 1992.
- 3) Newer Medical therapy for Ulcerative Colitis
Colorectal Disease 1993:
An International Exchange of Medical and Surgical Concepts
Cleveland Clinic
February 18, 1993
Pier 66, Fort Lauderdale, Florida
- 4) New Medical Therapy for Ulcerative Colitis
Colorectal Disease 1994
An International Exchange of Medical and Surgical Concepts
Cleveland Clinic
February, 1994
Pier 66, Fort Lauderdale, Florida

Speakers Bureau:

Lecturer- Schering Corporation National Speakers Bureau (Hepatitis C) 1994 -2004
Lecturer- Hoffman - La Roche Speakers Bureau (Hepatitis C) 1998 (?) - 2004
Lecturer – Takeda Pharmaceuticals 2009 -2010

Books:

Globetrotter's Pocket Doc

A Medical Translation Handbook for Travelers

Caduceus International, LLC publisher 2005

ISBN: 0-9718056-7-9 (Spanish)

Series of handbooks in French, German, Spanish, Portuguese

Author

Lectures:

- 1) **Colorectal Cancer Screening-Community Outreach Program**
March 2004

- 2) **Update in Cirrhosis-Pathophysiology**
Longmont United Hospital
October 2003

- 3) **Evaluation Abnormal Liver Function Tests**
Colorado Society of Osteopathic Physicians State Meeting
Vail, Colorado
August 3, 2002

- 4) **Hepatitis C 2002**
Colorado Society of Osteopathic Physicians State Meeting
Vail, Colorado
August 3, 2002

- 3) **Helicobacter Pylori: Friend or Foe**
Invited Lecture
AHEC Lecture Series
St. Joseph's Hospital
Denver, CO
October 20, 2000

- 5) **Colon Cancer Screening: To BE or not to BE ? And Other Related Questions**
Avista Medical Center
Louisville, CO
Invited Lecture
October 4, 2000

- 6) **Barrett's Esophagus and GERD**
Longmont United Hospital
Longmont, CO
May, 2000

- 6) **Hepatitis C: Quantum Leaps for a New Millennium**
Longmont United Hospital

Longmont, CO
November, 1999

- 7) **Hepatitis C**
Physician Community Outreach Program
Greeley, CO
September, 1999

- 8) **Pathophysiology and Management of GERD**
Avista Hospital
Family Practice Lecture
Louisville, CO
November, 1999

- 9) **Quantum Leaps in Hepatitis C Therapy**
Broomfield Family Physicians
Sept. 21, 1998
Westminister, CO

- 10) **Public Information Lecture: Hepatitis C**
Longmont, Colorado
September 15, 1998

- 9) **HCV Treatment with Ribavarin/Interferon**
SGNA National Meeting
May 18, 1998
Denver, CO

- 10) **HCV: An Update for Clinicians**
Longmont United Hospital
November 1997

- 11) **HCV: Identification of at Risk Patients and Treatment Outcomes**
Avista Hospital
Louisville, CO
January, 1998

- 12) **Hepatitis C- A Clinicians Primer**
Grand Rounds
Cheyenne Veterans Administration Medical Center
Cheyenne, Wyoming
October 10, 1997

- 13) **Chronic Hepatitis, A Primer**

October, 1995
Denver Osteopathic Association
Brown Palace
Denver, CO

14) Chronic Hepatitis: Hepatitis Alphabet Soup

August 1, 1995
Family Practitioners/Internal Medicine physicians
Brown Palace
Denver, CO

15) Gastrointestinal Hemorrhage

April 23, 1996
CU Family Practice Resident Teaching in Gastroenterology
Avista Hospital
Louisville, CO

17) Inflammatory Bowel Disease Part 1

May 29, 1996
FP Resident/Staff Physician Lecture

18) Inflammatory Bowel Disease Part II

June 5, 1996
FP Resident/Staff Physician Lecture

19) Colorectal Polyps and Colon Cancer

July 10, 1996
FP Resident/Staff Physician Lecture

20) Hemorrhoids and Diverticulosis

August 7, 1996
FP Resident/Staff Physician Lecture

21) Esophageal Varices and Management of Variceal Hemorrhage

September 11, 1996
FP Resident/Staff Physician Lecture

22) Hepatitis Overview

October 9, 1996
FP Resident/Staff Physician Lecture

23) Pancreatitis

November 6, 1996
FP Resident/Staff Physician Lecture

- 24) **Chronic Diarrhea Evaluation and Management**
December 11, 1996
FP Resident/Staff Physician Lecture
- 25) **Grand Rounds Cleveland Clinic Florida**
April 21, 1993
Chronic Hepatitis
- 26) **Clinical Pathologic Conference**
Management of Inflammatory Bowel Disease
Cleveland Clinic Florida
1993
- 27) **Hepatitis C and Treatment of Portal Hypertension Using
Transjugular Intrahepatic Portosystemic Shunting (TIPS)**
Cleveland Clinic Florida
March 16, 1993
- 28) **Drug Induced Liver Disease**
Cayman Island Medical Association
Cleveland Clinic Faculty Presentations
Grand Caymans
November 5, 1992.
- 29) **Drug Induced Liver Disease**
Department of Gastroenterology
Cleveland Clinic Foundation
Cleveland, Ohio
September 3, 1992
- 30) **Pathophysiology of Portal Hypertension**
Cleveland Clinic Florida
April 8, 1992.
- 31) **In Vitro Endoscopic Ultrasound Evaluation of Esophageal
Varices Pressure and Diameter. Two Determinants of
LaPlaces's Law.**
Department of Gastroenterology and Hepatology.
Yale University School of Medicine
Yale University
June, 1991

Research: Clinical Trials

- 1) A Randomized, Blinded, Controlled Study of Prednisone Withdrawal Followed by Alpha Interferon versus Alpha Interferon Alone in the Treatment of Chronic Hepatitis C. A Pilot Study. 1991

Principle Investigators:

Jonathan E. Jensen, MD Cleveland Clinic Florida
William D. Carey, MD Cleveland Clinic Foundation

CO-Investigators:

Michael Saletta, MD Cleveland Clinic Foundation
Ralph Tuthill, MD Cleveland Clinic Foundation

- 2) A Randomized, Blinded, Crossover Controlled Study of Calcium Gluconate's Effect on Colonic Transit Time in Normal Subjects. 1991

Principle Investigator: Jonathan E. Jensen, MD

Co-Investigators:

Steven Cohen, MD Cleveland Clinic Florida
Steven Wexner, MD Cleveland Clinic Florida

- 3) Erythromycin Pharmacokinetics in Patients with Gastroparesis. 1991

Principle Investigator: Eli D. Ehrenpreis, MD
Cleveland Clinic Florida

Co-Investigators

Jonathan E. Jensen, MD Cleveland Clinic Florida
Sang-Kyung Choi, MD Cleveland Clinic Florida
William B. Ruderman, MD Cleveland Clinic Florida
Dawn Vickers, RN Cleveland Clinic Florida

- 4) Induction Therapy with Ribavarin Plus Interferon Alfa-2b for Patients not Previously Treated or Patients who have failed Treatment with Alfa interferon with or without ribavirin as a Non-responder with Chronic Hepatitis C.

Principal Investigator: Paul Kwo, MD

Satellite Principal Investigator: Jonathan E. Jensen, MD FACP

- 5) A Multi-center Randomized Trial Comparing Daily Induction Dose Intron-A Plus Ribavirin Followed by Daily Rebetron versus Standard Rebetron in Patients who have not Previously been Treated with Interferon.

Principal Investigator: Eric W. Lawitz

Satellite Principal Investigator: Jonathan E. Jensen, MD FACP

- 6) Daily Induction Therapy with Infergen for HCV Patients who are Naïve to Interferon Therapy.
Principal Investigator: Paul J. Gaglio
Satellite Principal Investigator: Jonathan E. Jensen, MD FACP
- 7) Pegylated Intron A + Ribavirin for the Treatment of Patients with Rebetron Refractory Chronic Hepatitis C.
Principal Investigator: Tarek I. Hassanein, MD
Satellite Principal Investigator: Jonathan E. Jensen, MD FACP
- 8) Comparison of PEG Interferon alfa-2b plus Ribavirin Given as a Fixed Dose or on a Weight Optimized Basis for Treatment of Chronic Hepatitis C in Previously Untreated Adult Subjects.
Principal Investigator: Ira Jacobseon, MD
Satellite Principal Investigator: Jonathan E. Jensen, MD FACP
- 9) Weight Based Ribavirin Dosing (WBD) Increases Sustained Viral Load Response (SVT) in Patients with Chronic Hepatitis C (CHC): Final Results of the WIN-R Study, A US Community Based Trial. Presented to AALD 2005 (San Francisco)

Research Grants

National Research Scientific Award- NIH, 1989-1991
